BONALDO

Adone

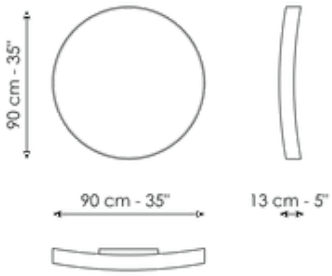

Designer: Marconato and Zappa

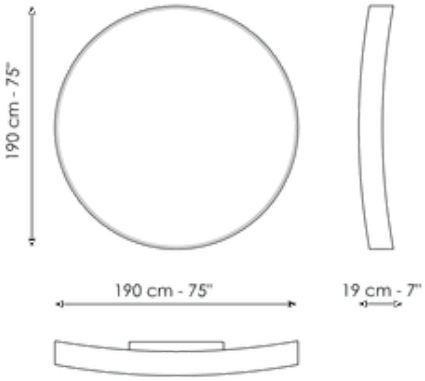

Adone is a collection of round mirrors with a contemporary design. Available in two versions, a smaller wall-hung version and a larger floor-standing version, these accessories feature an eye-catching outer rim. The collection focuses on the balance between the simplicity of the round shape and the sophisticated, slim metal frame that defines its contour: elements that make the Adone modern round wall mirror even more dramatic, perfect for any room in the home.
