Alpilles

Designer: Fabrice Berrux

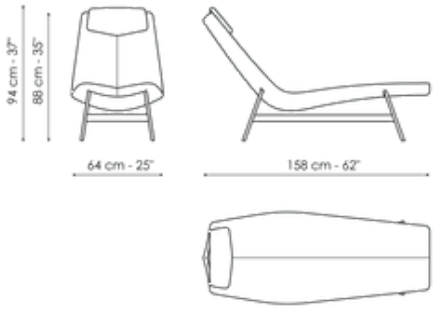

The chaise longue armchair is, in itself, an object that expresses an idea of pleasantness, a promise of emotions and positive moments. The Alpilles armchair is the dream of all the simple and fulfilling joys that will be experienced every time we fall into its embrace. The Alpilles armchair represents the ultimate in comfort combined with extreme aesthetic rigour. Inside a house it is, as the name suggests, an elegant and original piece of landscape. The Alpilles armchair and chaise longue is a piece of furniture whose shape has been precisely designed to combine comfort and elegance. Thanks to its several different customization options, namely the fabric or leather upholstery, Alpilles feels at ease in any kind of environment.
