BONALDO

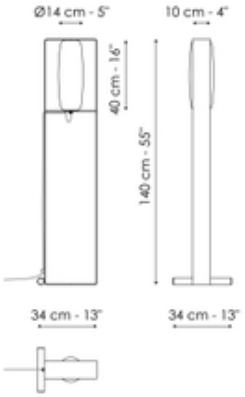

Bio-s

A metallic architectural structure, painted in elegant bronze or lead shades, encloses the blown glass of the lampshade in all its finesse: contrasting elements that encounter one another in the Bio-s collection of lamps, designed by Studio Team Design, in an expression of three-dimensionality and perspective. The design of these lights does not go unnoticed, strengthened by its suggestive capacity accentuated by the lampshade, in transparent glass, but especially in the smoked mirrored version, able to reflect the environment in which the lamp is placed.

Data sheet

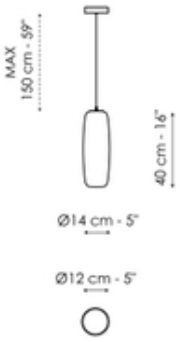

Floor lamp

Width: 34cm

Depth: 25cm

Height: 140cm

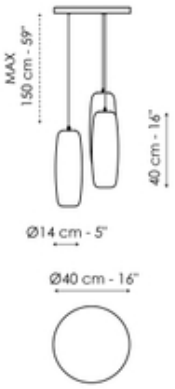

1 light suspension

Width: 14cm

Depth: 14cm

Height: 40cm

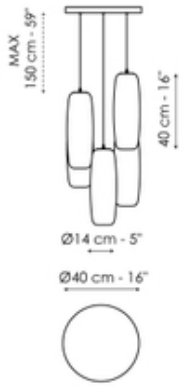

3 lights suspension

Width: 40cm

Depth: 40cm

Height: 40cm

5 lights suspension

Width: 40cm
