BONALDO

Bonamour

Designer: Mauro Lipparini

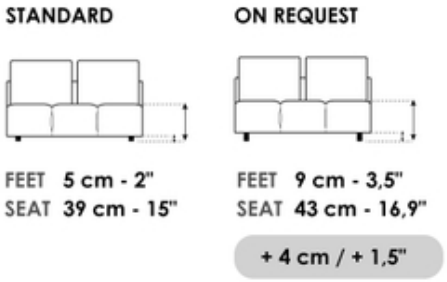

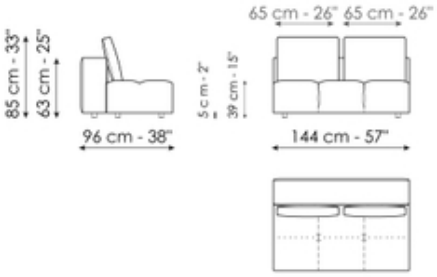

The natural union of all the elements in this collection of sofas gives rise to the harmonious atmosphere and the social appeal of the Seventies, in a language of timeless geometric purity.
The Bonamour contemporary sofa is a system of seats, armrests and backrests with an essential and distinctly contemporary morphology. The modules, of various rectangular forms, can be integrated to create combinations of both linear and angular volumes. The rigorousness of the volumes, the reassuringly formal and architectural expression, is this collection's stylistic "monogram", whilst the sartorial attention – marked by pleats which punctuate the different geometries – is the expression of real values, achieved through high standards of handcrafted quality.
