BONALDO

Campo single bed

Designer: Mauro Lipparini

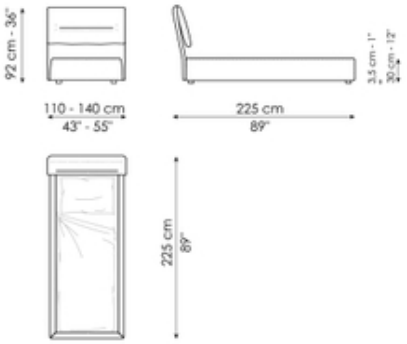

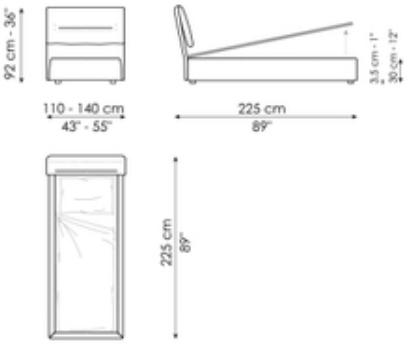

The Campo single bed stands out for the soft, padded headboard that adapts comfortably to the body positions.
An upholstered single bed frame for enjoying and appreciating its sartorial value: Campo is made of fabric, leather or eco-leather and decorated on the edges by delightful blanket stitching, which can be tone-on-tone or in contrast with the cover, which is completely removable. In the version with storage (Campo open), valuable additional space is provided for storing covers, cushions and everything necessary for the bedroom.
The Campo easy open version is available with a convenient storage space and also a double-action mechanism that allows the bed level to be completely raised to facilitate making and cleaning the bed.
