# Cuff single bed

Designer: Mauro Lipparini

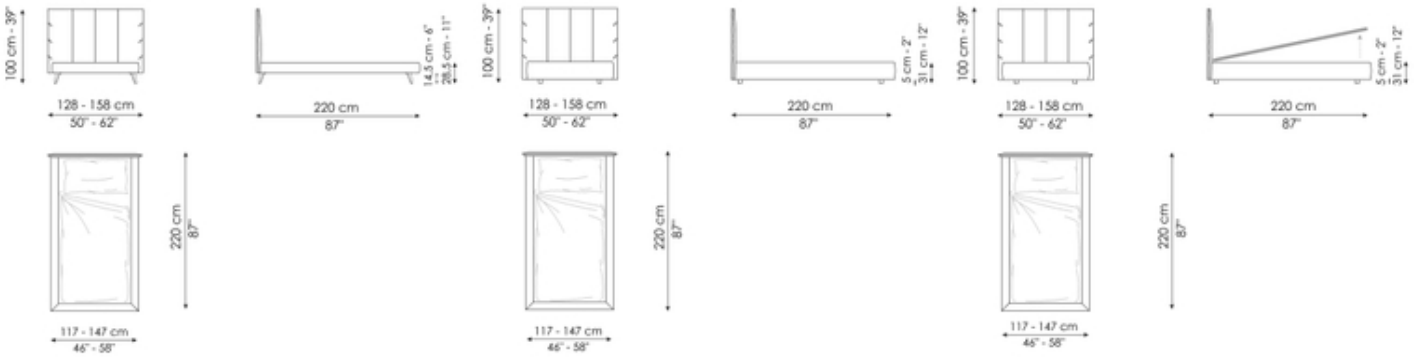

Available in double or single versions,Cuff is a bed made elegant by the exquisite details that characterize it: from the frog fastenings that adorn the two flaps which cover the padded headboard, to the pleating that runs vertically and the leather inserts that also enrich the modern single bed. Available with completely removable cover in fabric, leather or eco-leather, the Cuff modern single bed is produced in various versions: with feet in painted metal (Cuff), higher headboard (Cuff hi), thicker bed frame, low feet in painted wood and low (Cuff plus) or high (Cuff hi plus) headboard.
In the versions with storage (Cuff open and Cuff hi open), valuable additional space is provided for storing covers, cushions and everything necessary for the bedroom.
