Highly decorative, the Youpi Lounge enveloping armchair, designed by Fabrice Berrux, is part of the Youpi collection which includes the Youpi chair, the Youpi Office chair with a four-spoke swivel base and the Youpi too stool. This armchair maintains the distinctive family characteristics such as the circular backrest, the wide and welcoming seat and the truncated cone base, designed to make the frame more enveloping and welcoming. The enveloping armchair is available in a wide range of upholstery, including fabric, leather and eco-leather. The Youpi Lounge adapts to different design needs with tremendous versatility.
