BONALDO

Ever More

Designer: Sergio Bicego

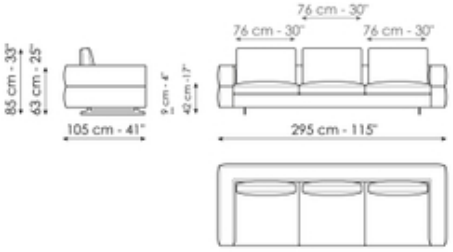

Ever More stands out for its particular backrest, which embraces the seats and gives the living area a note of softness and elegance. The keyword is maximum personalisation. Thanks to the many elements from which it is possible to choose, it is an extremely versatile modern sofa with high back which adapts to every style or space requirement.
Indeed, it is possible to create the perfect sofa composition combining a wide range of modules, such as poufs, corners and chaise longue: the backrest, therefore, becomes a true “trait d’union” of an island with 360° freedom. Ever More can be also placed at the centre of a room, to create a convivial space. The upholstery is completely removable.
