BONALDO

Isola

Designer: Mario Mazzer

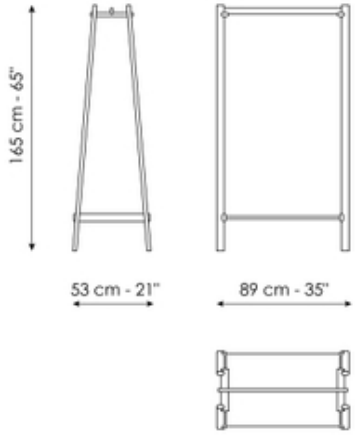

Isola is a clothes hanger with clearly recognizable shapes: the idea was actually developed from a platform supported by trestle uprights. As its name indicates, it was conceived as an island to support a walk-in wardrobe or as a comfortable, informal wardrobe in an entrance area. Its light and essential design creates a welcoming atmosphere thanks to the use of solid wood in the warm shades of American walnut.

Data sheet

Isola

Width: 53cm

Depth: 89cm

Height: 165cm

Finishes

Frame

Solid wood

American walnut
