BONALDO

Joy

Designer: Spazioameno

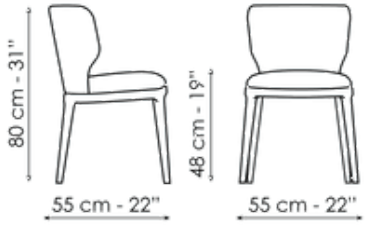

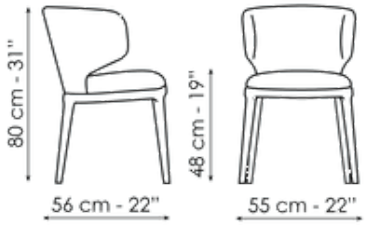

Elegant and cozy, the Joy seating collection embodies a modern design dining chair that seamlessly combines traditional values in a new, contemporary way. The solid wood of the base, a distinctive element that reflects the technical durability of Joy and Miss Joy, contrasts with the soft contours of the enveloping and reassuringly shaped seat and backrest in fabric, eco-leather or leather further enhancing the comfort and style of these modern designer chairs. A collection of sophisticated, comfortable chairs with a strong personality which, partly thanks to the personalized finishes and colours, are perfectly suited to both residential and contract settings.
