BONALDO

Kayla, Miss Kayla

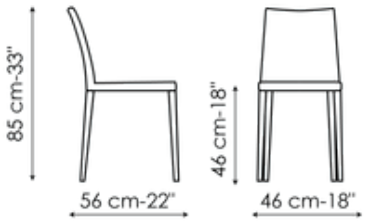

Designer: Dondoli and Pocci

The high back chairs in the Kayla collection are upholstered in leather, eco-leather or fabric and are available in different versions, which can be combined for a functional and aesthetically consistent result: Kayla (with low backrest), Kayla up (with high backrest), Miss Kayla (with armrests) or Miss Kayla up (with high backrest and armrests). They are available fully upholstered or in the variant with visible legs. Comfort, aesthetic value and flexibility of use allow the seats in the Kayla collection to integrate different styles and worlds, from the pleasures of the table in the company of others to convivial meetings, private or contract contexts. It shows the merit of a timeless design and a full expression of the Bonaldo design philosophy.
