BONALDO

# Lars

Designer: Giuseppe Viganò

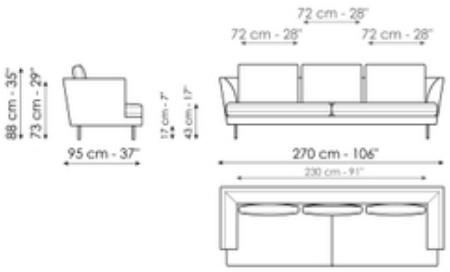

The Lars modern sofa features big cushions and conveys a sense of comfort and relaxation. The armrests are inclined outwardly; the upholstery, available in fabric or leather, is fully removable. The metal base, consisting of slender linear feet or a shaped base, guarantees a suspended look. The Lars sofas allow maximum modularity, thanks to the numerous elements which make it possible to create, in addition to the linear sofa, solutions with chaise longue or corners, in combination with comfortable poufs or coordinated armchairs.
