BONALDO

Mellow

Designer: Bartoli Design

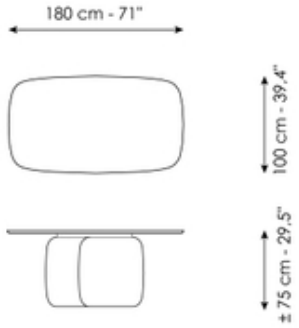

Mellow is a fixed table, designed by Bartoli Design, characterised by soft, curvilinear forms, both imposing and sculptural, as its name indicates, an English adjective that means “relaxed, at peace".
The original central base, plastic and volumetric, is made up of two different moulded elements in high-density polyurethane, which seem to hold each other in a tight embrace. The top is equally prized and it is available in different finishes of veneered or solid wood, crystal, ceramic or marble - in two forms: round or rectangular with rounded corners. The Mellow modern living room table was created to be the centrepiece of the space, reinterpreting and paying tribute to traditional models from a modern perspective, with large sizes intended for special occasions.
To meet office and contract needs, a four-meter-long version of the Mellow table is also available: Mellow 400.
