BONALDO

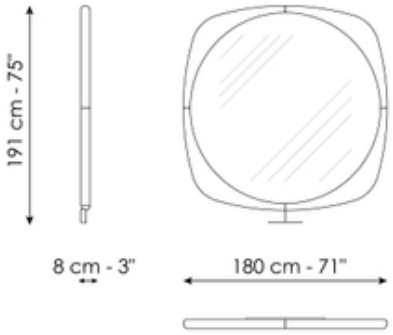

Mistral

Designer: Marconato and Zappa

A large mirror with a contemporary design, Mistral is designed to enhance elegant and bright spaces.
The frame, with its soft yet clean lines, strikes a perfect balance between simplicity and character.
The high-density polyurethane finish, available in lead or bronze, or with a glossy brown or glossy gray finish, enhances the depth of the surfaces and reflects light with sophistication.
The slender metal base, available in various shades, completes this striking piece of furniture.
