BONALDO

Neuilly lounge

Designer: Fabrice Berrux

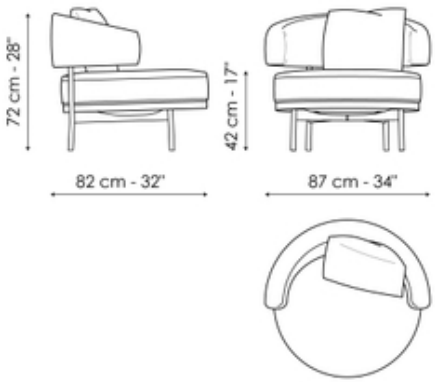

Fabrice Berrux completes the Neuilly seating collection (which includes a chair and stool) by enriching it with the Neuilly lounge armchair and Neuilly pouf. The immediately recognizable slender tubular metal frame supports the large volumes of the seat and the backrest/armrest which, with its semi-circular shape, welcomes you in a comfortable embrace. The Neuilly lounge armchair is the ideal complement both in the various different rooms of the house from the living area to the sleeping area, and also in hospitality spaces.
