BONALDO

Olos too

Designer: Mauro Lipparini

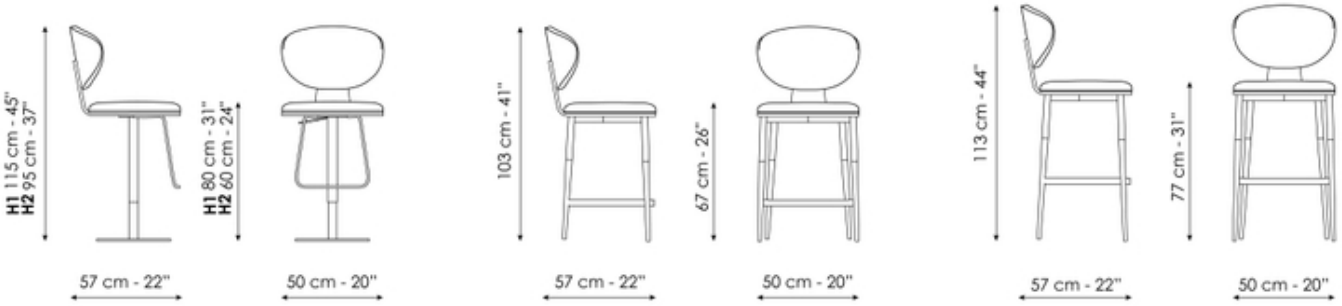

Inspired by contemporary Nordic design, the Olos collection is enriched by the addition of Olos too, a stool that stands out for its elegant yet essential design. The curved laminated wood shell, leitmotif of the family, is combined with the seat and backrest in moulded polyurethane and offers timeless comfort.
Available in the four-legged version, in two different heights or with a height-adjustable swivel metal base, the Olos too stool easily adapts to domestic and hospitality contexts.
