BONALDO

Paraiso

Designer: Sergio Bicego

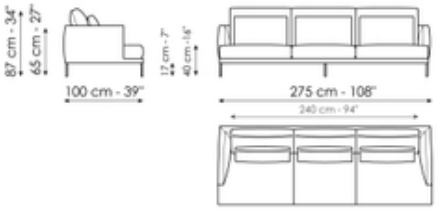

A classic design kind of sofa with a simple, essential and elegant taste, which, thanks to its balanced volumes, adapts to a variety of environments, sizes and styles and makes it possible to use the spaces in the best possible way.
The Paraiso classic designer sofa with removable upholstery in fabric or leather, is available in numerous versions: in addition to the linear sofa, it is indeed possible to create solutions with a chaise longue or corners, or combining comfortable poufs, fully satisfying different tastes and needs for comfort. Particular care has also been used in the internal parts of the sofa: the feet can be in painted metal or upholstered in Capri leather.
