BONALDO

Picabia

Designer: Giuseppe Viganò

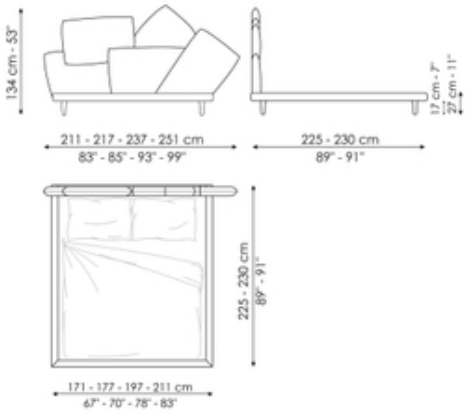

A casual combination of cushions that manages to be decorative and functional, discreet yet spectacular: this is the Picabia headboard, the bed with unusual lines that offers those who choose it numerous options for personalisation, giving maximum space to creativity for a unique result and effect. The finish of the cushions can be single colour, similar or in contrast, in line with personal tastes, thereby giving the bed a completely different character depending on the selected combinations. The removable cover is made of fabric or leather. The wooden feet are available in grey anthracite or walnut or made of matt painted metal. The Picabia modern upholstered bed is available in double or single versions.
