BONALDO

Saddle

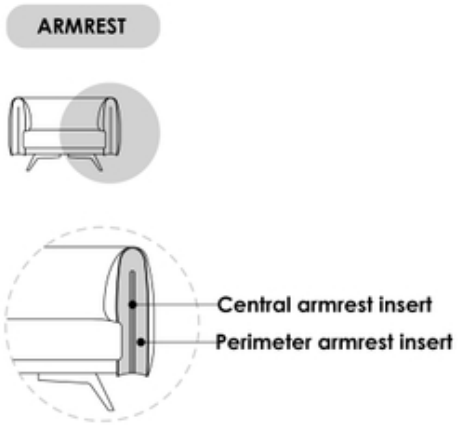

Designer: Giuseppe Viganò

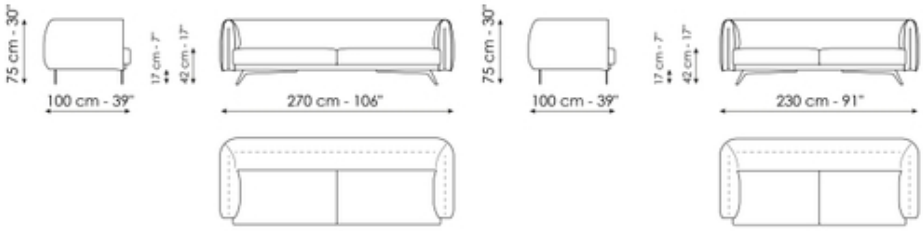

Designed to offer the utmost level of elegance, the Saddle modern sofa design stands out for its functional style. The tub-shaped back and armrests, which recall the shape of a saddle, and the padded seat make this sofa enjoyably soft. The aesthetic appeal is accentuated by the leather insert in the armrest, which defines its front and allows for a singular play of materials and combinations, thereby creating a high-impact optical effect. The upholstery, in fabric or leather, is fully removable; the metal feet lighten the shape of the sofa, emphasizing its contemporary allure. The extensive modularity of the sofa by design makes it possible to create multiple configurations, suitable for all spaces.
