BONALDO

Wave

Designer: Marconato and Zappa

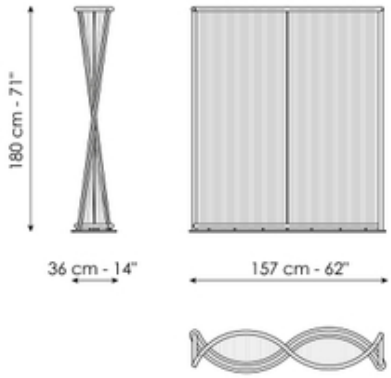

The shape of the Wave screen is inspired by the gentle movement of waves on the sea. With its curved metal frame and divider made of sand-coloured braided rope, Wave outlines and separates the space, rewriting the boundaries of the environment in which it is inserted and creating ever new scenography depending on its position. With Wave, the screen becomes a work of art that creates privacy without weighing down the room.

Data sheet

Wave

Width: 36cm

Depth: 157cm

Height: 180cm
